

**TWO VILLAGES VOLUNTARY ASSOCIATION
WORKING FOR
FOR NEW AND OLD RESIDENTS OF
KELVEDON AND FEERING**

This guide lists the many and varied local activities which are available in our community together with useful information about public and commercial services. It is published on the initiative of the Two Villages Voluntary Association and is sponsored by the Parish Councils of Feering and Kelvedon, who have paid for the printing. It is distributed free to residences in Feering and Kelvedon.

The Two Villages Voluntary Association is an organisation with members from all churches and other interested people who act to further joint Christian action in the villages of Kelvedon and Feering and to encourage all people to serve one another. Besides publishing this guide, the Association organises the Street Contacts Scheme, which is designed to welcome newcomers, to detect and make known any difficulties for residents in their areas and to get help where possible.

In addition the Association seeks local sponsorship so that everyone aged 70 and over receives a cash voucher, which can be redeemed at local shops at Christmas time. A simplified index is listed on the opposite page, The reader is advised to look through the whole guide, which is divided into two sections. The front part (pages 3 – 17) relates to public and voluntary organisations and the second part (pages 18 – 23) lists retail outlets and commercial businesses.

For further information please contact:
