P98/16-17 To note the decisions made by: Braintree District Council.
98.1 Braintree District Council
Noted.

98.2 Committee note the decision (refusal) made by the Environment Agency with regard to the application for an Environmental Permit at the IWMF at Rivenhall.
Noted.

P99/16-17 Enforcement Issues
None.

P100/16-17 Other Correspondence
100.1 Replacement Waste Local Plan – Modifications consultation
The planning committee noted the Consultation period (open for comments for six weeks until 16 February) and wished to make the following observations:

Modification No. 19
Indicative Facility Scale:
Aerobic Digestion 85,000tpa -> 30,000tpa
Combined Heat & Power 360,000tpa -> 595,000tpa

Kelvedon Parish Council objects to the changes on the basis that the 90% increase in the amount of material burnt is not sustainable development as the pro rata increase in emissions, materially increases the environmental impact and the health effects on the local community.

In addition, Kelvedon Parish Council feel that it is unnecessary to implement such an increase, when there are other sites in close proximity – i.e. Basildon and Ipswich, which are currently operating under capacity. Kelvedon Parish Council would prefer that these are both fully utilised before any further increase is
agreed at other sites.

100.2 Local Plan update – BDC
Update on North Essex Garden Community Project – noted.

P101/16-17 Date of Next Meeting
Monday 20 February 2017 in the Council Chamber at 7.30 p.m.
