Clerk Report October 2021

The last month has mainly been taken up with researching and gaining quotes and information for this meeting, and looking at other areas for the coming year, as follows:

- Brockwell Fencing and Path
- Pot holes in The Chase and Recreation Ground car park
- Discussions around the renewal of the licence for the toddler play area
- Information sought about the playground contract
- Discussions with contractors about next year's contracts.
- Kingfisher Way – arranging a site meeting with contractors for quotes around the next phase.
- As above, for plans at The Green
- Making a start on looking at the budget and precept for 22/23.

I have also joined Cllr Jayatillake and County Cllr Thorogood on a walk around the areas which will be affected by the A12 widening and route plans, and looked at various areas which are the subject of current and potential planning applications.
